**PRINCIPAL’S REPORT**

**Kindergarten Enrolment 2016**
Do you have a child who is turning 5 before July 31 in 2016? If so, **NOW** is the time to enrol your child at our wonderful school. Alternatively if you have neighbours and friends within our local area, please encourage them to enrol now. As we now provide every student in our school with their own designated XO (laptop) computer for the year, it is vital we know how many new students we will be getting so that we can have these ready to go at the start of 2016 for all new students. Please get enrolment forms from the office or download online and return to our office.

**Preschool Enrolment 2016**
Our Preschool classes for 2016 are almost full. As you are aware, we cannot exceed 20 children per class (we have two preschool classes) so if you are wanting your child to attend our preschool, please contact the office and enrol your child before the end of this term.

**Peer Support**
Peer support has been running successfully this term each Thursday afternoon. These sessions are led by pairs of Year 5 & 6 students, supervised by classroom teachers. All of our students look forward to this each week and I have enjoyed observing the sessions - watching our senior students flourish as leaders and our junior students enjoy the positive interactions that these sessions bring.

**School APP:**
Please download our school app so that you can stay up to date with the latest information.
**Cake Stall**
Thank you to all of the volunteers who helped to ‘man’ our Bunnings Cake Stall, and also to all of the wonderful bakers who donated their goods for our cause. How lucky we are to have you all as a part of the Rydalmere PS community.

**Uniform**
Over the past few weeks I have seen some non-uniform trends creeping into the playground. These include students wearing non-school ‘caps’ and also non-school jumpers or jackets.

At Rydalmere PS our students are safe, respectful learners who belong. Wearing the correct uniform is an essential part of these values:

- Respecting our school and showing pride in it by wearing full school uniform.
- Being safe by wearing the appropriate hat for sun protection and wearing the appropriate jumper to keep warm during these cooler months.
- Belonging – students being in full school uniform assists them in identifying and being a part of our school.

These are the items your child should be wearing:

**National Simultaneous Storytime**
On 27th May, Rydalmere PS participated in the National Simultaneous Storytime. P-6 logged into the national broadcast at 11am along with 500 000 other participants, making it the biggest ‘Storytime’ ever!! We enjoyed listening to ‘The Brothers Quibble’ By Aaron Blabey. Students have completed a variety of activities related to this story during their library lessons. Additionally, a colouring competition has been conducted and Mrs Stephens is excited about announcing the winners of this very soon.
Virtual Tour
You can now take a virtual tour of our wonderful school!! Best of all you can share this link with your friends and families to promote our beautiful school. To see this, please visit:

Unsafe Driving
This is an issue we continue to re-visit, and it makes me really sad that not all parents and carers of our school are concerned about keeping all children safe. I have daily complaints from both parents and staff who witness this unsafe driving in John Street.

The following complaints are reported to me daily. They involve parents and carers:
- Stopping on the crossing to drop children off.
- Driving into the school car park to drop of their child/ren (our carpark is for STAFF only) off and then reversing out of the carpark, almost into children walking to and from school.
- Pulling up in the middle of the road to drop their child/ren off.
- Exiting their child/ren from the car on the road side – children should only ever exit a car on the kerb side.

I have been in contact with our Local Area Command Police, as well as, Parramatta City Council so that both Police and Parking Officers can attend before and after school. Please be aware that drivers doing the wrong thing will be booked.

For the sake of all children who access our school, please STOP this unsafe driving.

Principal

PSSA NEWS – WK 6

We really enjoyed PSSA this week! Unfortunately the Junior team lost with a score of 4-0 but all of our players tried their best. Ahmad and Bilal were so close to scoring many times. Connor, Sameer, Terry and Lewis worked very hard in their defence positions. Aaeesha showed a positive attitude and always had a smile on her face.

By Ahmad D., Bilal S., and Miss Gallace
Today our Junior team had so much fun at PSSA. Once again our strikers, Ahmad and Bilal, took many shots at the goal and almost made them in. We were all very proud of our passing and communication skills which have improved a lot. Score: 1-0 (loss).

Our Senior team worked really hard this week after a two-week hiatus due to wet weather and a Bye. Their soccer skills were definitely put to the test! The score was 6-0 by halftime but after the break Pat made a great comeback and scored a fantastic goal for RPS. Wil has shown tremendous strength and resilience as our goalkeeper. Mitchell is to be commended for staying extremely positive and motivating his team members to keep trying. Score: 8-1 (loss).

Check out our brand new Rydalmere PS soccer jerseys!

Our soccer teams train every Wednesday on the school oval at lunchtime. We wish them the best of luck for Week 8!

PRESCHOOL NEWS

Preschool celebrated Sorry Day with a Sorry Day story as told by Aunty Wendy. The children reflected on the story and then chose a body to decorate. We discussed that while we all may look different we all still have the same feelings. The children explored the colours of the Aboriginal flag and their meaning while making handprints.
1G have been practising their dancing, singing and performance skills this term. We have looked at songs from different eras. Students have enjoyed learning different dance routines and making up their own in small groups.

Students have also enjoyed investigating maths concepts such as mass and volume and capacity through hands on learning.
This term, our educators have made some positive changes to our program, resulting in children becoming more actively involved in activities. Our planned learning experiences stem from feedback and suggestions from children, parents and educators.

Our Journal reflects all the fun and exciting learning experiences and we would love for you to come and look through our journal which is placed on the Programming Corner, both Staff and Children are very proud of it.
