Sick Children
Over the past fortnight we have had a number of children with cold and gastric like symptoms presenting at school. Parents are requested to keep their child at home when they are sick. Children who attend school when they are unwell risk the health of their classmates, teachers and support staff by possible spread of infection. If you child comes to school unwell, we will contact you to take your child home. Thank you for your understanding.

Commonwealth Bank School Banking Update – Please Read
Concerns have been raised regarding the ‘Cosmic Light Beam Torch’ reward item due to the inclusion of four button batteries that can be accessed by unscrewing the back of the torch.
Whilst this reward has been independently tested and deemed to meet relevant product standards the Commonwealth Bank have made the decision to proactively withdraw this item from the School Banking Rewards Program.
Parents/Guardians are requested to dispose of any ‘Cosmic Light Beam Torches’ their child may have already received as part of the Rewards Program. Students who have previously received a ‘Cosmic Light Beam Torch’ are welcome to redeem an alternative reward item.
This week the Preschool children went on a walk in the neighbourhood. The children had a lovely time looking at their local community and observing their surroundings. The children took i-pads to photograph some of the things they saw. Here are some of their photos.
This term 2R have read stories about animals who act like humans!

We produced a play about a boy followed home from school each day by hippos. We also read the series of books ‘There’s a Hippopotamus on Our Roof Eating Cake’ by Hazel Edwards.

We have read ‘The Giraffe in Pepperell Street’ by Robyn Klein about a giraffe following a girl home from school and the giraffe lives in her house for weeks!

We have watched documentaries about hippopotamuses and giraffes. One of our favourites is the Giraffe Manor in Nairobi, Kenya. We have created a travel advertisement for Giraffe Manor – you can really stay there! The giraffes come inside to eat breakfast with you.

Below is some artwork, writing and computer work related to the stories we have read.
